

# The Spirit of America

Words and Music by John Jacobson and Christi Cary Miller

This great country, this great land,  
all together now we stand.

Proud and strong, straight and tall;  
Americans, one and all!

(Alto: Americans, one and one and all!)

Ev'ry dreamer 'neath the sun  
shares one hope for ev'ryone.

All live free, great and small;  
Americans, one and one and all!

The spirit of America!  
The spirit of America is alive in me!  
The spirit of America!  
The spirit of America!  
The spirit of America,  
America is alive in me!

## Decant (a few sopranos)

This great country, this great land,  
all together now we stand  
Proud and strong, straight and tall;  
Americans, one and all

(Alto: Americans, one and one and all!)

The spirit of America!  
The spirit of America!  
The spirit of America  
is alive in me

Ev'ry dreamer 'neath the sun  
shares one hope for ev'ryone.  
All live free, great and small;  
Americans, one and all,  
is alive in me!

Is alive in me!

Is alive in me!

America is alive in me!

The spirit of America!  
The spirit of America!  
The spirit of America,  
America  
is alive in me!  
The spirit of America!

The spirit of America!

The spirit of America!
